A Wagon Load Of Money

Does not necessarily imply content
and happiness on the part of its
possessor. It is not money that
gives us pleasure, but the things
that money will buy.

Some people spend money foolishly,
and fancy they find enjoyment
in doing it, but the pleasure
is more fancied than real. No man
who buys

The McCormick No. 4 Steel Mower

can ever be accused of spending
money foolishly, and he'll find a
hundred reasons to convince him of
his wisdom.

We are building the No. 4 to
meet the demand for a really
superior mower, one that embodies
the prime requisites of durability,
convenience and light draft.

You'll like this mower; not merely
because thousands of other farmers
like it, but because it is a really
likeable machine. If you are going
to buy a mower you ought to see
the No. 4.

THURSDAY, JUNE 15, 1893.

A BIG AFFAIR.

The annual meeting of the Central
Liberal-Conservative Association of
East Assiniboia was held at Indian
Head on Thursday, the 8th inst.,
and was attended by seventy-five
delegates, representing all portions
of the district.

A considerable amount of business,
chiefly of a private character, was
transacted, after which the constitution
and by-laws of the association were
thoroughly revised and amend-
ed. On the arrival of the west
bound train, which brought a num-
ber of delegates, the election of
officers was proceeded with and
resulted as follows: President, Mr.
Angus McKay, Indian Head; first
vice-president, Capt. Price, Moosomin;
second vice-president, Mr. R. S.
Park, Whitewood; secretary-
treasurer, Mr. John Hawkes, White-
water; auditor, Mr. Dickson, Gren-
fell.

The President elect on taking the
chair thanked the delegates present
for the honor conferred on him, and
asked the united co-operation of the
party in bringing such matters as
affected the district before our
member, and through him to the
attention of the Government.

A hearty vote of thanks was
tendered to the retiring officers for
the satisfactory manner in which
the affairs of the association had
been conducted for the past year.

By the unanimous vote of the
meeting it was decided to hold the
next annual meeting at Fort Qu-
Appelle.

THE BANQUET.

In the evening the local associa-
tion entertained the visiting dele-
gates to a banquet at the Commercial
Hotel, when about 125 gentlemen
sat down to a supper that in point
of excellence could not be sur-
passed. The table fairly groined
under the load of most substantial
and delicate dishes, and was beauti-
fully decorated with plants and
flowers.

After justice had been done to
the bill of fare, Major Bell, over-
flowing with wit and good humor,
proceeded to dispose of a portion of
the programme. Seated on his right
were Messrs. I. R. Brigham and
Mr. Sutherland, M.L.A. for North
Qu'Appelle, and on his left Mr. W.
McDonald, M.P., and Mr. David-
son, M.L.A. for South Qu'Appelle. The
president elect, Mr. McKay, oc-
cupied the vice-chair, and had on
his right Messrs. A. C. Patterson, R.
S. Park and John Hawkes, and on
his left Messrs. R. S. Lake, A. Mc-
Donald and H. A. J. McDougall.

"The Queen" was responded to by
singing the National Anthem.

"The Prince and Princess of Wales
and Royal Family" and "The Gover-
nor-General and Lieut.-Governor"
were duly honored.

"The Army, Navy and Volun-
teers" brought Capt. Price to his
feet, who regretted that he could
not in a fitting manner express his
appreciation of the hearty way in
which the toast was received. He
was proud that on this side of the
Atlantic there were so many who
considered it the greatest honor to
serve under the good old flag.

Capt. Harris said he knew little
about the army and less about the
navy. He had, however, seen some
service with the volunteer regiments
at the Fenian raid and in the North-
West rebellion, but had never him-
self shed any blood.

Mr. Elkington, Fort Qu'Appelle,
sang in excellent style "The Boys of
the old brigade."

The Chairman, in proposing "The
guests," expressed the pleasure it
afforded him on behalf of the people
of Indian Head to be able to wel-
come them to the town under such

pleasant circumstances. The toast
was most heartily received and
responded to by Messrs. Brigham
and Patterson, and a stirring song by
Mr. Lake.

Mr. W. W. McDonald, M.P., ac-
knowledgeed the toast of "The
Dominion Government," and in a
half-hour speech briefly reviewed
the policy of the Government. He
said the Cabinet was largely com-
posed of new men, who with their
colleagues had the knowledge and
ability necessary to grasp in a
statesmanlike manner such questions
as affected the country. They
promised great things for the future,
and he felt confident that every
promise would be fulfilled to the
letter. After Messrs. Foster and
Rawell had thoroughly investigated
the working of the present tariff
regulations, such an adjustment
of that tariff would be adopted that
no section of the people would be
required to bear an undue share of
the burden of raising the revenue
necessary to run the country. He
had heard in Ottawa that there was
a great upheaval in the Conservative
party in East Assiniboia, but when
he looked around him here and saw
the old veterans still true to their
colors he felt no uneasiness about
the solidity of the party. I am he
said, a supporter of the present
Government—no weak-kneed fol-
lower,—and I will continue in my
present course so long as that
Government serves the best interests
of this country. I have unbounded
confidence in the honest endeavor
of the present Government to faith-
fully guard the welfare of our great
North-West. Mr. McDonald strong-
ly defended the protective policy of
the Government, and showed the
advantage the country had made
under it.

Mr. A. D. Dickson, of Qu'Ap-
pelle, then sang a song to the
gratification of all.

The health of the new officers
was then received.

Mr. McKay, President, pointed
to the prosperity of this country
during the past ten years, and at-
tributed the credit to a great extent
to the foresight of the Conservative
Government and the interest they
had taken in the country.

Capt. Price claimed that no better
Conservative lived in the Territories
than he.

Mr. Park assured the delegates
that he would to the best of his
ability faithfully assist the Presi-
dent, and would endeavor in outside
districts to strengthen the party.

Mr. Hawkes followed, and made
a few brief but brilliant remarks
that were decidedly well received.

The Vice Chair then proposed the
"Legislative Assembly."

Mr. Davidson, M.L.A., claimed
that the North-West Assembly was
faithfully doing its duty to the
Territories, and was a great factor
in directing the attention of the
Dominion Government to the wants
and necessities of this country. He
paid Mr. McDonald, M.P., a compli-
ment for his work during the past
session, and said if he continued to
represent the views of the people in
the future as he had in the past he
would demonstrate the wisdom of
the choice made.

Dr. Seymour enlivened the party
with one of his pleasing songs.

Mr. Sutherland, M.L.A., followed,
and in addition to corroborating the
statements of Mr. Davidson, dwelt
very fully on the North-West
affairs.

Several other toasts followed, but
we regret that we are unable to give
even an outline of the remarks of
the following speakers:

"Agricultural Interests," respon-
ded to by Messrs. Douglas, Mc-
William and Sumner.

"Manufacturing and Mercantile
Interests," by Messrs. McGill, A.
McDonald and Elkington.

"The Learned Professions," Mc-
Dougall, Redpath and Dr. Seymour.

"The Press," Messrs. Patterson and
Hawkes.

The health of Mr. Dunlop, of
Yorkton, Mr. Moore, of Douglass,
and Mr. A. G. Hamilton, Moosomin,
was enthusiastically received, as was
the health of the Liberal Party. Mr.
McCallum, of Moosomin, re-
sponded to the latter, and said that
he was pleased to know that such a
banquet could be given and not an
offensive word said against the
opposite party. The ladies were
duly honored, which brought a
most enjoyable evening to a close,
and the reputation for entertaining
made by the people of Indian Head
will long remain a monument to
their hospitality.

The following is a copy of the
Grand Master's address:

To the Right Worshipful Grand Lodge of
the North-West Territories.

Brother—It has pleased our Great
Grand Master to again allow me to meet
you in the Grand Lodge, and I welcome you
one and all, and I trust the same spirit,
the same devotion to our duties that have
heretofore characterized our deliberations
may be evoked in all our proceedings at
this meeting.

Owing to the inclemency of the weather
it was impossible to hold our meeting at
the time set out at our last meeting, and
therefore I decided that it would be more
advantageous to our association to postpone
it until we could have a full attendance of
the brethren.

Our Grand Lodge Officers, I think

Town & Country Callings.

—The Rev. F. Johnson, of Regina, is spending a few days with Mr. J. H. Boyce.

—Several batches of district news arrived late last week and were crowded out.

—Inspector Constantine of the N.W.M.P. was in town on Monday and Tuesday.

—Owing to an outbreak of scarlet fever at S. John's College the school has been closed.

—The new telegraph posts have been erected in the town and are a great improvement.

—Mrs. Stewart and Mrs. Mollard, of Regina, relatives of Mr. D. S. McCannell, paid him a visit the early part of the week.

—Rev. A. Matheson will preach in the Grassmere Schoolhouse (Bunn Settlement) on Sunday, the 25th inst., at 11 o'clock. All are invited.

—A visit to the gardens of Mr. Harry Mitchell is decidedly pleasant just now. He has spinage, onions, lettuce and radishes that are hard to beat.

—Rev. A. Robson, of Fort Qu'Appelle, passed through on Monday to attend the General Assembly of the Presbyterian Church at Brantford, Ont.

—On Friday night last, the stables of the Winnipeg Street Railway Co. were destroyed by fire and 68 horses burned to death. The loss sustained is in the neighborhood of \$20,000.

—Rev. Father Hugonard, Principal of the Fort Qu'Appelle Indian School, was in town on Monday and paid us a friendly visit. He reports the gardens at the school in a flourishing condition.

—Old Turk, the pioneer dog of the town, died on Saturday last, and will be much missed by early arrivals to whom he was well known. Mr. Caswell the owner brought him here in '81.

—Mrs. Lake, of Anthracite, sister of Mrs. Jas. McEwen, called at Qu'Appelle on Monday on her way to Chicago, and Mrs. Sutherland, Mrs. McEwen's mother, who has been staying here for some months, has gone to Whitewood.

—Upwards of thirty relatives and friends of Mr. Peter McNaughton and Miss Elliott gathered at Mr. T. Carroll's on Wednesday, the 7th inst., to witness the Rev. A. Robson tie the nuptial knot, and extend their good wishes to the contracting parties for their future happiness.

—Mr. Mat Turk is about to build a house and shop adjoining Mr. Wismer's on Main Street. The building is to be of concrete, and on Friday last several farmers formed a "lee" and loaded a large quantity of stone and gravel on to the site, and operations will be commenced in a few days.

—Rev. Father O'Riordan, of Ottawa College, who is on his way from New Westminster, was at Fort Qu'Appelle Mission last week. The Rev. Father has been preaching a retreat throughout the west. While at Fort Qu'Appelle he was very much taken with the English speaking people he met there. Brother Doyle, formerly of Qu'Appelle Mission, accompanied Father O'Riordan as far as Winnipeg.

—We are in receipt of a lengthy communication on the Canadian exhibit at the World's fair from the pen of Mr. T. J. Bell, Canadian Government Press Agent. The exhibit is being much admired by the visitors, and that portion of it sent from the North-West is receiving no small share of attention, the samples of grain and other products being a great surprise to many who were previously unaware of the productive nature of the country.

—After the end of this year fifteen specific Indian lands will be required to observe the game laws of the Territories. The reason why the department has determined on this course is because of the rapid depletion of game. About two-thirds of the Indians of the Territories will be affected by the notice, the exceptions being chiefly those living in wooded sections of country, who subsist almost entirely on what they can get by the chase. After this year, therefore, the lands affected will be required to observe close seasons for game.

—The Fisk Jubilee Singers kept their engagement in the Methodist Church on Saturday evening and gave their concert to a large gathering of the music-loving public. The dark vocalists gave entire satisfaction to their listeners, and whether rendering the good old songs or modern contributions their efforts were equally appreciated, and enclosures were frequently demanded. The Jubilee Singers are too well and favorably known to need any special description of the talents possessed by them, suffice it to say that they fully sustained the reputation which they have made for themselves since their organization in 1871.

At a meeting of the Executive Committee of the North-West Legislative Assembly, held at Regina, four advisory members were chosen to assist the Executive as a Council of Public Instruction. The members of the Council are Messrs. Haultain, Nuff, Tweed and Mitchell, and Bishop Pinkham, of Calgary; Rev. Father Caron, of Regina; Mr. A. H. Smith, B.A., of Mooseomin; and Mr. A. E. Forget, of Regina. The question of holding the next session of the Assembly was discussed, and although nothing definite was decided it is probable that a session will be held immediately after the appointment of the new Lieutenant-Governor.

Canadian Pavilion, Jackson Park, Chicago, 3rd June, 1893.

To the farmers of East Assiniboia:

Gentlemen,—I am informed by my son that our creamery machinery on the farm is working all right.

Professor Robertson, of the Central Experimental Farm, at Ottawa, has secured for me a first class butter maker, who is now in charge of our creamery.

I now most respectfully invite any farmer in the district to come and see the separator working, and I have directed that the morning's milk be kept until ten o'clock every Tuesday and Friday until the last of July next, so that the operation of separating the milk from the cream may be seen.

The man in charge has been instructed to give you all the information that he possibly can concerning the butter business. Those who go by train, if they will call at the Wolseley Hotel, Mr. Elliott will furnish you a horse at a small cost and direct you to the farm. When you arrive at the farm, my sons will receive you, and you will be good enough to stop and have dinner at the farm with them.

I will place at the creamery the cost of the outfit, and on learning this you will be better able to form an opinion of that way of managing a dairy.

Yours very truly,
W. D. PERLEY.
